Information for visitors who use wheelchairs or have mobility problems

At Cobnor we welcome families with wheelchair users and are proud of our accessible footpath along the seawall which offers unrivalled views of the harbour. It starts 400m from the cottages, along our farm lane, so no need to take the car. Should you want to drive, there is a disabled parking bay where the footpath begins.

Granary Cottage and Old Dairy are designed to be fully accessible for wheelchair users.

- Granary Cottage features a wheel-in shower with the basin and raised toilet fully fitted for disabled users.
- Old Dairy has support rails and a drop-down rail in the bathroom, with a panelled bath.
- Viking and Cullimers, may also be suitable for visitors with mobility problems and can be entered in a wheelchair.
- Selection of bed risers, fireside chairs and quick suction bathroom hand rails available .
- Ramps 81 cms Minimum door widths 76 cms.
- Parking directly outside
- Ramps to Laundry Room and Play Barn
- Undercover outside socket for charging mobility chairs / scooters
- Kitchen, Dining Room, Sitting Room open plan - controls useable from wheelchair, though worktops standard height.
